I can't believe another year has come and is now almost gone! I always look forward to the beginning of each year, but I think my favorite time is at the end, as graduation and summer approach. It is a time to reflect on accomplishments and memories, and I hope you enjoy this yearbook. It is the result of many hours of dedication and hard work on the part of the editorial team, and for the first time, it not only includes our graduating seniors, but also all the other students in the CHP.

Congratulations to our graduating seniors! You are an exceptional class of talented young men and women, and we are very proud of your accomplishments! We wish you every success in your future, and please do stay in touch.

To all those who will return next fall, have a great summer! If you're around campus during the summer, do stop by and say hi. If you are traveling, enjoy, be safe, and take lots of pictures to share with us next fall.
